

OMAHA AGAINST HUNGER is a volunteer-driven effort to package and distribute highly nutritious food around the world and in local communities through food pantries, food banks, etc. An OMAHA AGAINST HUNGER Packing Event gives volunteers an opportunity to contribute “hands-on,” in feeding those in need.

Since the Kids Against Hunger food formula was first developed in 1999, volunteer teams around the country have packaged and delivered tens of millions of the meals to children in over 60 countries through feeding programs, orphanages, schools and clinics, and in community food pantries in the U.S.

OMAHA AGAINST HUNGER Packing Events incorporate:

- Charitable Giving
- Team Building
- Volunteerism
- Fun
- An opportunity to help starving people around the world and food-insecure families in our community.

How you can help:

As a nonprofit organization, all funds are raised through the generosity of individual donors, corporations, churches, and foundations. Any size contribution is welcome.

- **Donate:** \$58 can provide a box of 216 meals... that's just 27¢ a meal!
- **Pack meals:** Form a team with friends, family, co-workers, youth groups, scouts, sports teams, senior groups, schools, businesses, church groups...anyone can help pack meals.
- **Social Media:** Help us spread the word about the OMAHA AGAINST HUNGER mission.

MAHA AGAINST HUNGER

is a non-profit humanitarian relief organization. We feature Kids Against Hunger meals and a volunteer-driven packaging program.

The original Kids Against Hunger Rice-Soy Casserole was formulated by food scientists to provide a rich source of easily digestible protein, carbohydrates, and vitamins needed by a malnourished child's body and mind. The food also accommodates to the broad diversity of ethnic tastes and religious differences around the world.

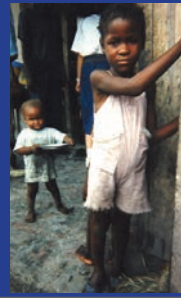

Before

After

We live in a world where a child dies every six seconds due to hunger and starvation related diseases...that's 16,000 children under the age of five that will die TODAY!

Cost to package - Only 27¢ per meal!

Around the World Around the Corner

LATIN RICE

The new Latin Rice we package has been formulated specifically to address food insecurity in America. A team of developers and food scientists worked to create the first of its kind product designed specifically to fight hunger in the USA. This Latin Rice formula not only addresses necessary nutritional needs, it also has a great flavor chosen by local Food Pantry clients to be the best in a blind taste test.

FOOD INSECURITY IN AMERICA

- 15.5 million (21.1 %) children under the age of 18, go to bed hungry.
- 4.6 million (10 %) seniors 65 and older were in poverty in 2014.
- 1 in 5 children under the age of 18 in Nebraska and western Iowa is at risk for hunger.
